2014-2015
 The jewelry was designed and made by the artist, who has been working in the field of jewelry design for many years. The collection is inspired by the architecture of the 19th century, which is reflected in the use of various materials and techniques. The jewelry is made of gold, silver, and various gemstones, including pearls, diamonds, and rubies. The design is highly detailed and ornate, with a focus on creating a sense of grandeur and elegance. The jewelry is suitable for formal occasions and is a true work of art.
