

Free beading pattern for necklace More Red

I'm excited to share a **free beading pattern for the necklace "More Red."** This design is all about rich red tones, simple geometry, and a bold yet elegant look. The pattern is beginner-friendly, but still interesting enough for experienced beaders who enjoy clean lines and color play. Feel free to download the pattern, experiment with bead finishes, and make it your own.

Materials you need:

- seed beads 11/0
- round beads 4 or 6 mm
- beading thread for example Miyuki or fireline

U can download this pattern in pdf format by clicking the pdf button in the end of this post.

Click on the diagram to enlarge it.

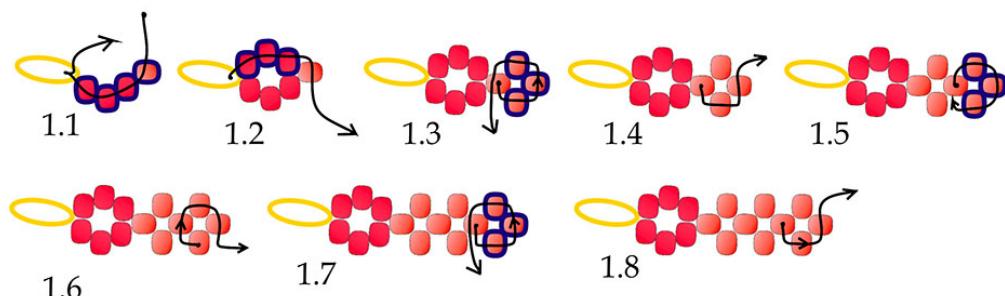

Part 1 is a Base of the Necklace. You can choose Variant 1 (one needle) or Variant 2 (two needles). Both variants create the same base.

Part 2 – Decorative Drops. Start with a new thread.

Part 1

BEADSMAGIC.COM

Variant 1 with 1 needle

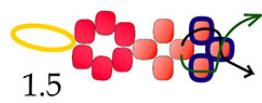

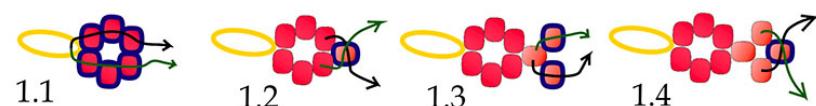

Repeat steps 1.3 - 1.6 until you reach the end of the necklace.

Connect the clasp
in the end

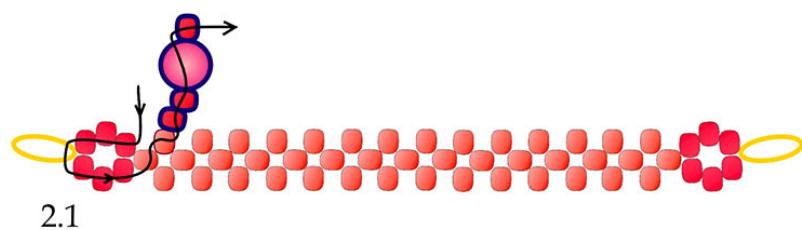

Variant 2 with 2 needles

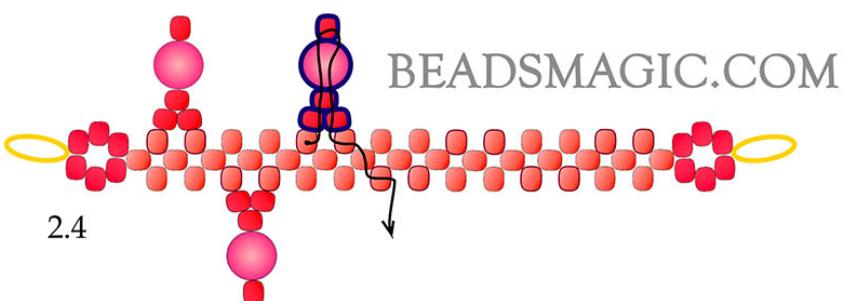

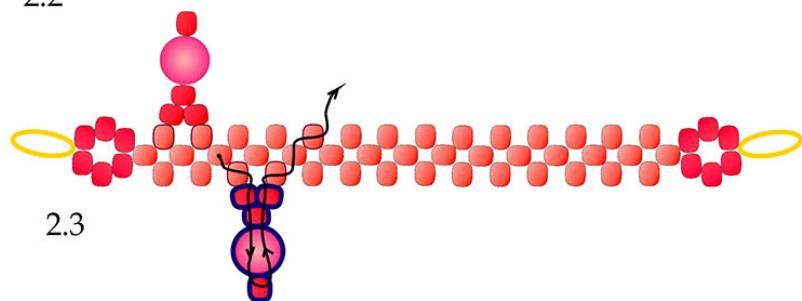

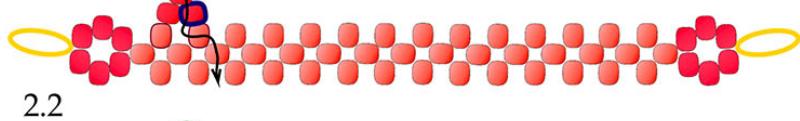

Repeat steps 1.5 until you reach
the end of the necklace.

Part 2 - start with a new thread
