

Free Beading Pattern – Heart Pendant

I'm happy to share **free beading pattern** for this sweet **heart pendant** with you!

This design combines round beads and sparkling crystals to create a delicate, romantic piece that looks beautiful on a necklace or bracelet.

The pattern is beginner-friendly and perfect if you want a relaxing project for the evening or a handmade gift for someone special. You can easily change the colors – soft pastels for a gentle look or bright shades for a bold statement.

Create your own heart, experiment with your favorite beads, and enjoy the process – handmade jewelry always carries a little extra love.

You can download the PDF pattern and also watch the step-by-step video tutorial on YouTube.
