

Free pattern for necklace Tears In Rain

Free pattern for beautiful beaded necklace Tears In Rain

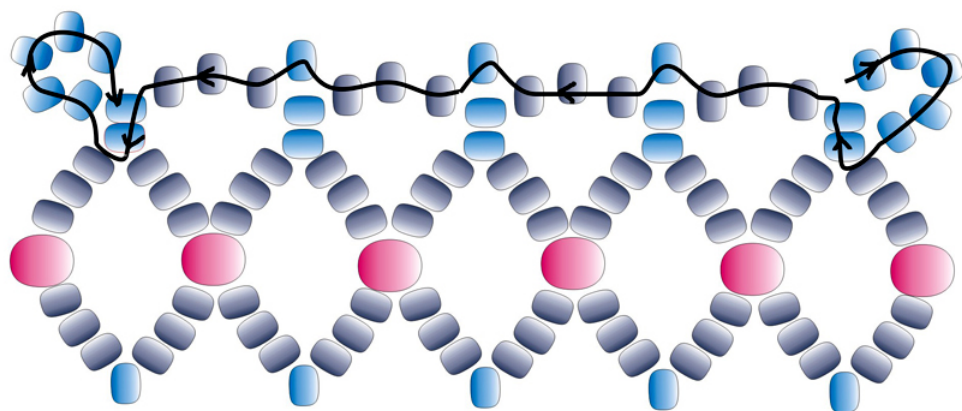

U need:

seed beads 10/0 – 11/0

faceted beads 4-5 mm

A diagram illustrating a spin wave excitation in a 1D lattice. The lattice is represented by a chain of blue spheres (atoms) connected by black lines. A single pink sphere, representing a spin flip, is shown moving along the chain, indicated by a curved arrow. The wave vector k is shown as a horizontal arrow pointing to the right.
