

Free pattern for necklace Valencia

Free pattern for pretty beaded necklace Valencia

U can use seed beads 10/0-11/0

A complex beaded necklace design featuring a grid of red and purple beads. Dark blue wavy lines with arrows indicate a path through the beads, forming a series of interconnected loops and zig-zags. The beads are arranged in a grid pattern, with red beads forming the main structure and purple beads acting as accents or connectors. The design is intricate and appears to be a tutorial for creating a specific beaded necklace.
