## Free tutorial for earrings Esmeralda

Use our new free tutorial for earrings Esmeralda to make these beautiful and passionionate statement earrings. These earrings are made using basic netting stitch. Any seed beads can be used for netting (even chinese seed beads) but it always looks better with good quality beads like toho or miyuki. You will need only three colors -red, golden and black. This is classic combination but these beaded earrings will look nice in other colors too. We made very detailed step by step insturction so even bead beginners can use this free beading tutorial. Try this bead pattern and dont forget to share your work in our facebookgroup. PDF is also availible.

Materials:
seed beads golden,black, red bugle beads 6 or 9 mm or for exaple drop beads

U can download this pattern in pdf format by clicking the pdf button in the end of this post.
