The most popular Christmas tutorial

Here is our the most popular Christmas tutorial for beautiful snowflake. Free tutorial for beautiful beaded snowflake with rivoli Swarovski. U can use it like ornament or pendant. This bead pattern is easy and doesnt take much time to make but looks so gorgeous.

U need:

rivoli 14 mm

delica 11/0

seed beads toho 15/0

U can download this pattern in pdf format by clicking the pdf

button in the end of this post.

Click on the diagram to enlarge it.

At first bezel rivoli with 36 seed beads Delica using peyote stitch. U can use our pattern or make it as u used to make yourself

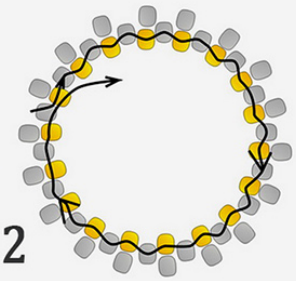

Bezel rivoli 14 cm with a peyote stitch

BEADSMAGIC.COM

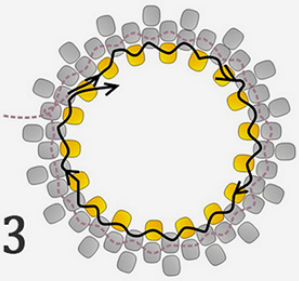

String 36 delica 11/0 and tie in a circle with a doubleknot

Add another row of Delica 11/0 using peyote stitch

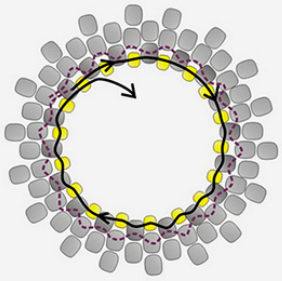

Add one more row of Delica 11/0 using peyote stitch

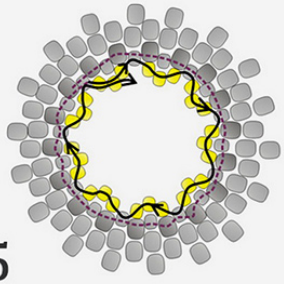

BEADSMAGIC.COM

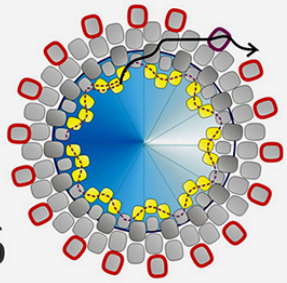

Add a next row of seed beads 15/0 using peyote stitch

Add a next row of seed beads 15/0 but now string 3 seed beads 15/0 at the same time and then miss one 15/0 seed bead from previous row and go through next seed bead 15/0

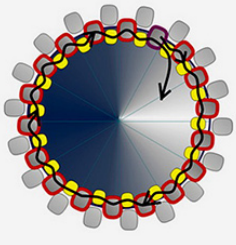

Wave thread to other side of bezel and place rivoli side down into beaded bezel

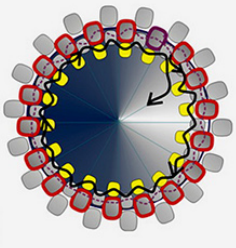

BEADSMAGIC.COM

Turn to the back side of tivoli and add a next row of seed beads 15/0 using peyote stitch

Add a next row of seed beads 15/0 using peyote stitch

U must get rivoli bezeled like this.

Next step is to bead 12 snowflake beams using peyote stitch.

We weave from the beads marked with blue and pink dots according photos.

U need to string next quantity of seed beads:

blue dots: 9 delica 11/0 – 3 seed beads 15/0 – 1 delica 11/0

pink dots: 7 delica 11/0 – 3 seed beads 15/0 – 1 delica 11/0
