

Tutorial for embroidered pendant

Tutorial for amazing embroidered pendant

U need:

Thick fabric

Thread

Needle for seed beads

Pins

Paper

Seed beads

Scissors

Marker and chalk

Pencil

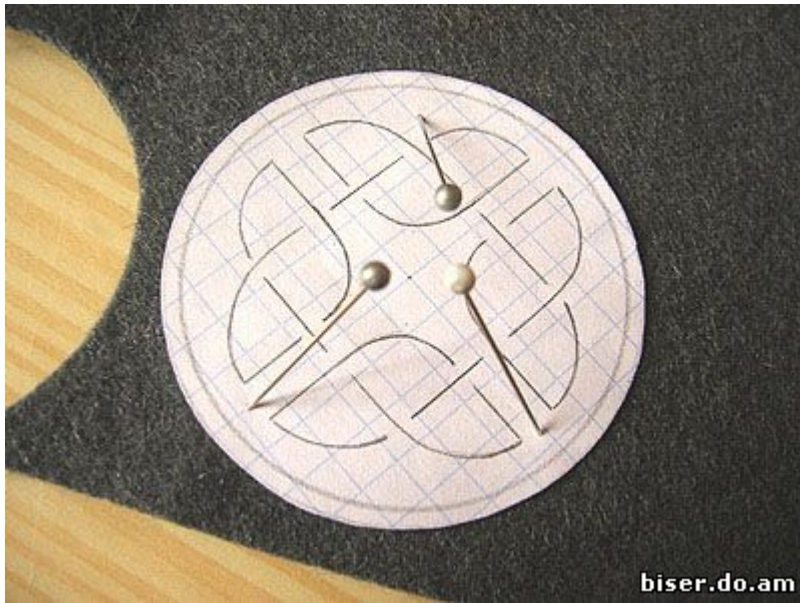

Compasses

Draw with a compasses 2 circles 5,5 cm in diameter and then ur pattern inside circle. Cut templates.

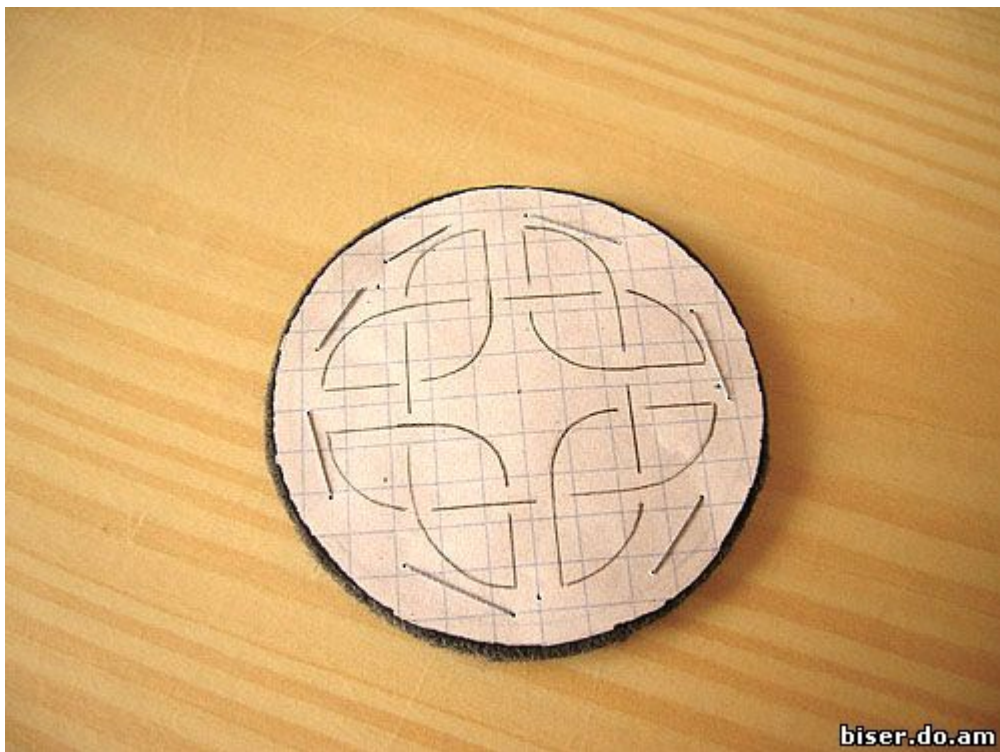

Put template on the fabric, pin it, outline it with a marker or a chalk and cut.

Baste tamplate to fabric and embroider the pattern

U have to embroider very tightly

Take off the paper when u finish embroidering

Pass through all lines to fix the pattern

Step back 2-3 mm from the border and mark a circle inside of our embroidery. Embroider border of the pattern.

Embroider all pattern.

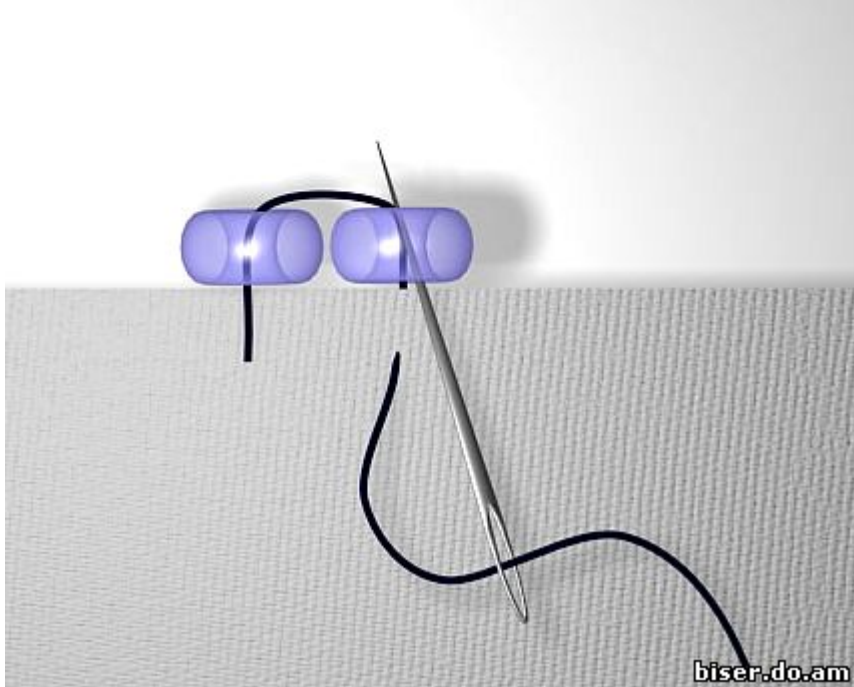

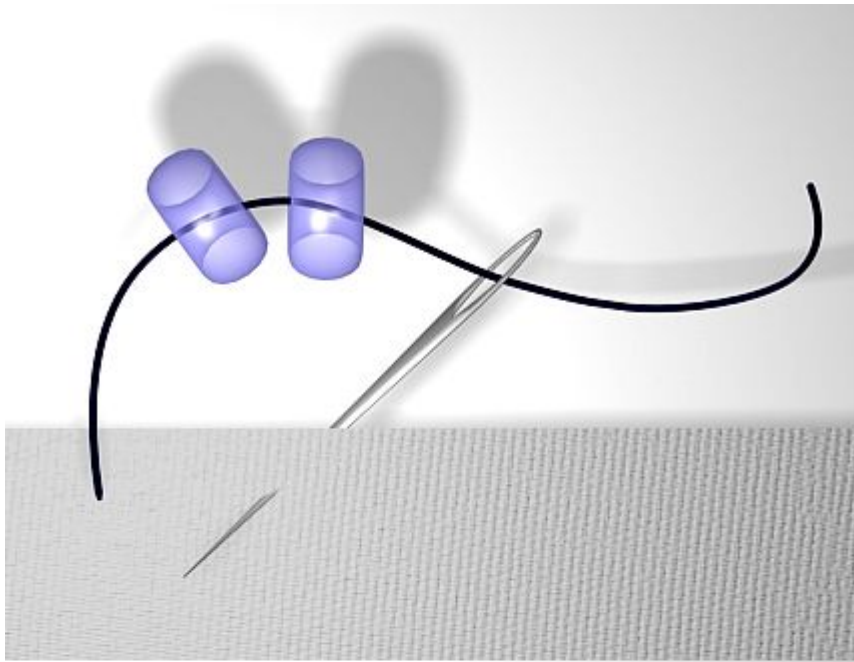

Make two sides of the pendant in this way.

Dress a border of the pendant

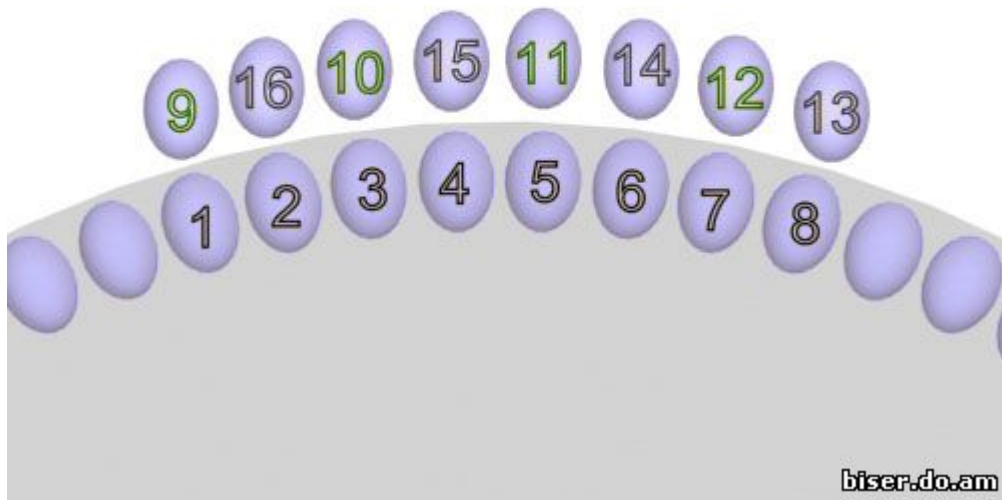

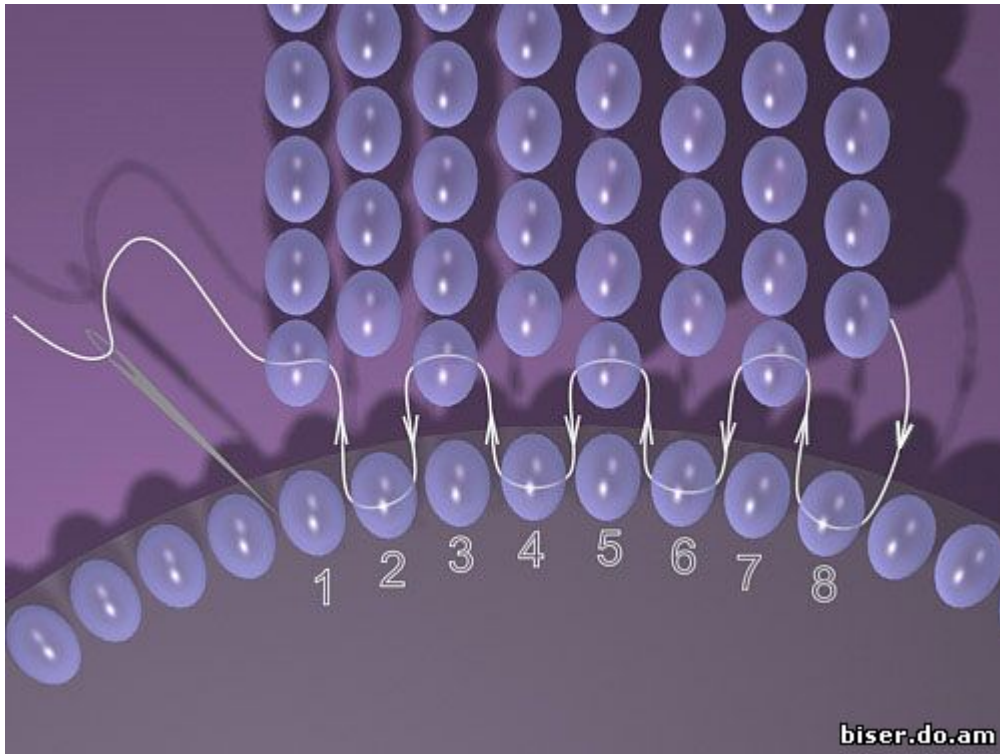

Make a loop. First row consist 8 beads

Wave a loop 3 sm length by mosaic stitch

Back side of the loop

Here is our pendant!
