Tutorial for hand-made beads box

How to make this beautiful bead box of simple and available materials? Its very easy! Read this tutorial and u will b really surprised how its easy and fun!

U need:

Plastic eggs package

Cheap toilet paper

PVA Glue (Polyvinyl Acetate)

Figured pasta and peas

Acrylic paint (better aerosol)

1. Pour PVA Glue to the cup . If glue is too thick you can add alittle water. Make litlle peaces of toilet paper and put it into the glue. Paper has to get very saturated and become homogeneous mass.
